

Invite your guests to sit back and unwind with this seating collection. Designed to entertain a crowd, this collection features hand-woven frames and generously-sized cushions to create a resort-style retreat in the comfort of your own backyard. Each piece can be arranged as standalone units or joined together to form a colossal L-shaped sectional - ideal for corner configurations. The deep-seating cushions consist of premium outdoor fabric, thick layers of foam and a variety of color options that complement any style. The reversible throw pillows and ottoman cushions add even more versatility, displaying a solid color on one side and a coordinating pattern on the other.

Gather your guests around this accommodating collection and enjoy hours of comfort and conversation by the glow of the fire pit table. The fire pit's alluring performance will captivate your guests as the flames sway across the elegant red fire glass provided for the center burner. Additional arm chairs and end tables are available for larger configurations and instantly create a sophisticated lounge space that will welcome your guests with comfort, style and warmth throughout the year.
